IRS X, Y, Z Hints:

X: NEW REGISTRATION AND LOGIN STARTED DEC. 10, 2017: All e-Services users must re-register and create new e-Services accounts using a more rigorous two-factor authentication process called Secure Access. Register for your account by selecting the service you want to access. Please review [Important Update about Your e-Services Account](#) for details. If you previously registered in Get Transcript, online tax account, or Get an IP PIN, please use that password and your e-Services username. We recommend using the "Forgot Password" feature after one failed attempt. Please attempt to register online prior to contacting the e-Help Desk for exception processing.

Y: Modify Profile and/or add IRS2Go App: To change your password, change your site image, change your site phrase, or add the IRS2Go security code, you can log into [Get Transcript Online](#) and select "Profile". The IRS2Go app has a new "security" feature that will allow e-Services users to generate the second-factor security code to access accounts. See [Secure Access: How to Register for Certain Online Self-Help Tools](#) for more details on the IRS2Go app.

Z: Registration Assistance: If you cannot register online via Secure Access and need exception processing, call the e-Help desk at 1-888-841-4648 (select your language, then prompt 1 and remain on the line until an assistor picks up) 7:30 a.m. Eastern to 7 p.m. Eastern
